

Voy a reír, voy a bailar
vivir mi vida, la, la, la, la
voy a reír

Voy a gozar
vivir mi vida, la, la, la, la

A veces llega la lluvia
para limpiar las heridas
A veces sólo una gota
puede vencer la sequía

Y para qué llorar, ¿Pa' qué?
Si duele una pena, se olvida
Y para qué sufrir, ¿Pa' qué?
Si así es la vida, hay que vivirla

Voy a reír, voy a bailar
vivir mi vida, la, la, la, la
Voy a reír, voy a gozar
vivir mi vida, la, la, la, la

Voy a vivir el momento
para entender el destino
Voy a escuchar en silencio
para encontrar el camino

Y para qué llorar, ¿Pa' qué?
Si duele una pena, se olvida
Y para qué sufrir, ¿Pa' qué?
Si duele una pena, se olvida

Voy a reír, voy a bailar
vivir mi vida, la, la, la, la
Voy a reír, voy a gozar
vivir mi vida, la, la, la, la

¡Mi gente!

Voy a reír, voy a bailar
¿Pa' qué llorar? ¿Pa' qué sufrir?

empieza a soñar, a reír
Voy a reír, voy a bailar
siente y baila y goza,
que la vida es una sola
Voy a reír, voy a bailar
vive, sigue siempre pa'lante,
no mires pa' atrás

Mi gente, la vida es una

Voy a reír,

Voy a bailar
vivir mi vida, la, la, la, la
Voy a reír,

Voy a gozar

vivir mi vida, la, la, la, la

Biografía: Born Marco Antonio Muniz on September 16, 1968, in New York City, Marc Anthony went on to international fame as a singer, actor, and songwriter. Getting his start as a backup singer for acts such as Menudo and the Latin Rascals, Anthony became a headliner when his style shifted to a more Spanish-based sound. In 2004, Anthony married Jennifer Lopez, herself a Puerto Rican singer and actor.

Career: Musician. Anthony was born Marco Antonio Muniz on September 16, 1968 in New York City. His parents, Guillermina and Felipe Muniz, are Puerto Rican and named their son after Marco Antonio Muniz, a Mexican singer who was popular in Puerto Rico. Marc Anthony grew up in New York City with his sister, Yolanda Muniz. His talent was evident early on; Anthony realized that he had the singing voice, but needed to develop a stage presence to support it. This he did by singing backup as a session vocalist for freestyle and underground New York house music acts. Marc changed his name, to avoid confusion with his namesake, and quickly became an in-demand backup singer; lending his voice to acts such as Menudo and the Latin Rascals.

First Release: His first release was a record called "Rebel," which debuted in 1988 from Bluedog Records, based in the Bronx. Marc Anthony continued perform in the New York club scene and also wrote songs, often teaming with Little Louie Vega and Todd Terry. In 1992, Vega and Anthony played New York City's Madison Square Garden as an opening act for Tito Puente. Soon after, Anthony changed his singing style from Freestyle and House to salsa and other Spanish music. Taking his inspiration from greats such as Puente, Ruben Blades, and Juan Gabriel, Marc Anthony released his first Spanish-language album in 1993. Titled *Otra Nota*, it included the salsa hit "Hasta que te conocí" (Until I Met You).

Commercial Success: He has never looked back; his albums and singles have been best-selling, with the exception of his two English-language albums, 1999's *Marc Anthony* and 2002's *Mended*. In his effort to crossover, it appears that Anthony may have turned away some of his core audience. In 1998, Anthony appeared with Ruben Blades in Paul Simon's stage musical, *The Capeman*, which ran for 68 performances. Marc Anthony has also turned his prodigious talents to the big screen, appearing in movies such as 1996's *Big Night* and *Man on Fire*, released in 2004.

Personal Life: Marc Anthony married fellow Puerto Rican entertainer Jennifer Lopez on June 5, 2004. Their marriage was clandestine and little spoken-of for some time after the fact. Anthony has a daughter, Arianna, with his former girlfriend Debbie Rosado who was a New York City police officer. Arianna was born in 1994. Marc Anthony married former Miss Universe Dayanara Torres on May 9, 2000. Though their union was often rumored to be troubled, it produced two sons: Cristian Anthony Muniz, born February 5, 2001 and Ryan Anthony Muniz, born August 16, 2003. Less than one week after his divorce from Torres, Anthony married Jennifer Lopez. Anthony and Lopez have dueted and performed "Escapemonos" at the 2005 Grammy Awards. Their movie, *El Cantante*, a biography of famed salsa singer Hector Lavoe, was released in August 2007. A year later, on February 22, 2008, the couple welcomed twins. Anthony and Lopez announced their split in 2011.
